Donna,

A notice has been added near the top of both the DPEIR and Administrative Record webpages. See <http://www.sdcounty.ca.gov/pds/ceqa/Soitec-Solar-EIR.html> and [http://www.sdcounty.ca.gov/pds/ceqa/SOITEC\\_SOLAR\\_DEVELOPMENT\\_ADMINISTRATIVE\\_RECORDS.html](http://www.sdcounty.ca.gov/pds/ceqa/SOITEC_SOLAR_DEVELOPMENT_ADMINISTRATIVE_RECORDS.html), respectively.

Thanks,

Thank you, Robert,

The Soitec Solar PEIR website and AR should provide notice that the video recordings of those meetings have been filed and are available for review.

I did see your photos...thanks for including them.

Donna,

Regarding the DVD's that I received from you on February 18, 2014 of the Boulevard Community meeting on January 16, 2014 and the Boulevard CPG meeting on February 6:

The video files of the January 16 meeting can only be played from the DVD. I have made a few extra copies of this DVD available at our Zoning Counter for anyone who wishes to view those videos.

The video file of the February 6 meeting is an .avi file which can be copied onto other media and played with Windows Media or perhaps other video applications. This file is just over 1 gigabyte and we are still determining if we can make this accessible from our Administrative Record page. In the meantime, I have placed a couple of DVDs with this file at our Zoning Counter for anyone who wishes to view that video or make copies of that file.

In addition, seven Powerpoint files are now accessible from the Administrative Record page that contain pictures I took during our February 6 tour. The links are named "2014-02-06-Photos-1-of-7" through "2014-02-06-Photos-7-of-7."

Thank you,
